## SPACE HABITAT

**Mobile Base:** A Star Base is an armed space station designed to better protect orbital infrastructure. In addition to built-in capacity for weapons, small craft and defensive systems, its station bays can support construction facilities or additional military options.

**Unload Habitat**  
This ship has orbital habitats that are able to support 1 unit of population. Population in orbital habitats will contribute to the production of any planet they orbit.

**Leave Orbit**  
Order this mobile station to leave orbit and join the system fleet. Any colony effects provided by this station will be canceled.

**Refit**  
To design: Mobile Station  
Refit this station to the current Mobile Station design for a one-time cost of 246 and 292.

**Mass Refit**  
This is our only current example of this Space Habitat design, so it cannot be used as the basis for a Mass Refit action.

**Scrap Station**  
Disassemble this station. Yields 26 and
